

EFFECTIVE

January 1, 2017.

Subject(s)

JJ7 723, Educational Services for Juvenile Justice

This is a brand new item that works in conjunction with FOM 723, Educational Services to provide guidance to juvenile justice specialists on the coordination of educational services for juvenile justice initial placement, replacement and reunification. This item clarifies the requirements, forms, procedures and documentation necessary for educational services and identifies juvenile justice-specific areas of practice.

Reason: Program office clarification and FOM 723 updates.
